

Final Risk Adjustment Data Submission Deadline Clarification

On Wednesday, January 27, 2016, CMS announced in the HPMS Memo, Risk Adjustment Processing System (RAPS) Diagnosis Cluster Edit- 410 Error Code, that the risk adjustment data submission deadline for RAPS data submissions has been extended to Monday, February 22, 2016.

We have received several inquiries from Medicare Advantage Organizations regarding whether this guidance affects the submission deadline for encounter data. This note is to clarify that the risk adjustment data submission deadline for encounter data submissions remains Monday, February 1, 2016.
